

Grounds Rental Inquiry Information

The Woodstock History Center's back lawn will provide a spectacular setting for your wedding, reception, rehearsal dinner, or other outdoor event. The space is located in the heart of the village next to the Ottauquechee River, and it offers views of the Middle Covered Bridge and Mt. Tom. The grounds are rented on a contract basis.

The largest tent that our space can accommodate is 44X84. Typically, this allows for up to 200 people but we recommend talking to the tent company to determine size and configuration requirements. Two unisex bathrooms are included in the rental. For larger events, we would recommend renting additional portable toilets. The History Center recommends that you have your tent company provide electricity for exterior power.

We recommend the following:

Tents
